**RESOLUTIONS FORM**  
FEBRUARY 6, 2018 PRECINCT CAUCUS

**STEPS TO CHANGE THE PLATFORM of the REPUBLICAN PARTY of MINNESOTA:**

- Resolutions that are passed at the **Precinct Caucus** will be forwarded to the **2018 BPOU Convention**. **The BPOU Convention votes on these Resolutions, requiring a simple majority to pass.**
- Resolutions that are passed at the **BPOU Convention** are then forwarded to the **2018 Congressional District Convention** where they are voted on; a simple majority is required to pass.
- Resolutions that are passed at the **Congressional District Convention** will then be forwarded to the **2018 State Convention** where they are voted on; where once again a simple majority is required to pass.
- Resolutions that are passed at the **2018 State Convention** are incorporated into the **Standing Platform of the Republican Party of Minnesota.**

*You may wish to review the Standing Platform of the Republican Party of Minnesota before writing your proposed Resolution. You may submit a Resolution to change some of the words in the current Standing Platform, or to add something new.*

The Caucus Convener will tell you when the Resolutions will be discussed. *For each Resolution a maximum 5 minute discussion, pro and con alternately, will follow. A vote will take place and if passed, this Resolution will be forwarded to the BPOU Convention. Give the Resolution to the Secretary after voting.*

*I move that this precinct caucus support the following Resolution: (Continue on back to page if space is needed.)*

WHEREAS, there are over half a million cannabis consumers in Minnesota; and  
WHEREAS, adult use legalization of cannabis, taxed and regulated, has the potential to create hundreds of millions of dollars in tax revenue; and  
WHEREAS, Minnesota's cannabis prohibition laws give control of cannabis production and distribution to unlicensed and unregulated enterprises, street gangs, and dealers; and  
WHEREAS, despite Minnesota's cannabis prohibition laws, today cannabis is more prevalent and more potent than ever before;  
THEREFORE, BE IT RESOLVED, we believe public safety is best served by taxing and regulating adult-use cannabis instead of allowing unlicensed and unregulated enterprises, street gangs, and dealers control of its production and distribution.
